Upon complaint of Deputy Bird Commissioner Harry M. Kingsley, Deputy Sheriff Frederick T. Mitchell arrested George T. Kenyon of Hopkinton on the charge of trapping and selling game birds in violation of law. Kenyon was arraigned Wednesday before Clerk Clarence E. Rorne in the Third district court at Westerly and pleaded not guilty to the charge. The case was continued to Jan. 14 and Kenyon furnished a bond of \$100 for appearance.

The body of Michael McGowan, 53, formerly of Westerly, who was drowned at Mott Haven, arrived in Westerly ed at Mott Haven, arrived in Westerly on the Federal express train Wednesday morning and was buried in St. Michael's cemetery. Mr. McGowan was master of the barge Anette that was moored at a wharf in Mott Haven during the severe storm of Dec. 26 and he has been missing since that date until his body was recovered in the river last Friday. It is the opinion of the investigating authority that during the storm the barge broke adrift and that while Mr. McGowan was endeavoring to secure the barge he was thrown against the wharf, striking on his face, which was severely cut, was stunned, which was severely cut, was stunned, fell into the water and was drowned. He left Westerly several years ago and engaged in maritime business. He is survived by two brothers, John and Joseph McGowan.

The traveling stave of the Rhode Island Boy Scouts has been started from Bristol by being presented to the First Providence troop. This stave will be passed along from troop to troop and will reach Westerly in due time and finally be returned to Bristol. The stave is a regulation Boy Scout staff and has at either end a silver

staff and has at either end a silver band and in the center a silver circle with the inscription "Traveling Stave, First Bristol Troop, R. I. B. S., Jan. 1, 1916." Every troop in the state will add a silver band, bearing the troop name and date received.

This idea, while new to the scouts, is familiar to old time members of fraternal and social organizations. Some years ago the Watchemocket Fire Engine company started an old-fashioned wooden cradle, containing a life-size baby doil, on its travels to the volunteer fire companies of Rhode Island and Connecticut. The cradle was suitably inscribed by the Watchemockets and each company that received "Jerry" added to the inscription. ROAD TO HEALTH IS THROUGH THE KIDNEYS

No person alive is stronger than his kidneys. The mirrate the kidneys become disarranged or clogged with waste the warning is flashed throughout the entire system. The greater part of all sikness today can be avoided by keeping the kidneys working properly.

Lee & Cagood, the popular druggists, can tell you of many well known people in this city whom Solvax, the standard kidney remedy, has restored to health, often after they have tried many other methods of treatment with little or no benefit.

There are hundreds of people in Notwich who were not the least bit surprised when they read in The Bulletin that Lee & Osgood were selling Solvax on a guarantee to refund the money in case it did not relieve. This remarkable kidney remedy is guaranteed to help the worst case of inay, sluggish, or clogged-up kidneys, or the general headachy, kinkybacked, played-out condition that afflicts people suffering with kidney trouble. Solvax does not simply relieve. It aims to cure.

The best kind of advertising is the praise of a pleased customer, and there are hundreds in Norwich today praising Solvax because it does what it is advertised to do. Not very long ago they were afflicted with all manner of sickish, uncomfortable pains and each day seemed to bring with it a new ache in some other part of their body. Since using Solvax they are once more bright and chipper and able to enjoy life at its fullest with no more fear of suffering.

No other kidney remedy has made such a large percentage of cures as Solvax. It is so large that Lee & Osgood sre perfectly safe in standing ready to refund the price to any customer whom it does not help. This is a good time to get well and you ought to take advantage of Lee & Osgood's effer.
